**M**inutes away from Jakarta's CBD on an express tollway is situated a hotel with a new concept for today's town-weary traveller.

The Imperial Century Hotel and Resort. Before now, hotels classified themselves as everything between one to five star, and more recently the emergence of five star diamond. But what

would it be like to have the best that all hotels can offer?

On one hand a place geared for total business needs - with two phone lines and

a fax extension in each room, business centre, banqueting and convention facilities.

Yet on the other the relaxing air of a true resort, set in palm studded tranquility? For this is the new classification in world class

hospitality - The Imperial Century Hotel and Resort. Abutting in international 18 hole theme golf course, the full facilities of the Imperial Country Club are at your disposal. Apart from the hotel pool, another enormous one just short of olympic size.

Tennis, squash, fitness centre - even

equestrian stables and riding tracks.

A total choice of five restaurants, various bars, shops.

All the efficiency and services that the best five star hotels

offer amidst a resort setting and amenities they can't. Experience the difference the Imperial Century can make to your Jakarta visit - it's a whole new concept in the best of all worlds.
